OFFICE OF THE ASSISTANT SECRETARY
MANPOWER AND RESERVE AFFAIRS
111 ARMY PENTAGON
WASHINGTON DC 20310-0111

October 30, 2001

MEMORANDUM FOR MR. THEODORE L. HENDY, U.S. ARMY INFORMATION
SYSTEM ENGINEERING COMMAND, ATTN: AMSEL-IE-IA,
FORT HUACHUCA, AZ 85613

SUBJECT: Appointment of Certification Authority for the Army Civilian Personnel
Regionalization (CPR) System

References:

- a. Department of the Army Regulation 380-19, dated February 27, 1998, subject:
Information System Security.
- b. Department of Defense Standard 5200.28-STD, dated December 26, 1985,
subject: Trusted Computer Security Evaluation Criteria.

In accordance with reference a, Mr. Theodore A. Hendy, Director, Information Assurance and Security Engineering, U.S. Army Information Systems Engineering Command, is designated as the Certification Authority for the Army CPR System. The Army CPR system is to be certified against the minimum-security requirements of reference a and the C2 Controlled Access Protection trusted computing base criteria that is listed in reference b.

The point of contact for this action is Mr. Ted Zweig, Pre-Deployment Information Assurance Security Officer for Civilian Personnel Regionalization, DSN 328-0668 ext 268, email: Ted.Zweig@peostamis.belvoir.army.mil.

David L. Snyder
Deputy Assistant Secretary
(Civilian Personnel Policy)
